THIS EVENT WILL BE HELD IN THE NOTORIOUS TUSCAN ROOM. THIS ROOM HAS A LOT OF CLEVELAND MOB HISTORY. AT ONE TIME IT WAS EVEN A NIGHT CLUB KNOWN AS THE MOUNDS CLUB, A KNOWN MOB HANGOUT. FRANK SINATRA HIMSELF ALSO FREQUENTED THE MOUNDS CLUB.

"SUPERTHIEF" the true story of Cleveland resident Phil Christopher. "Superthief" is the compelling story of a master thief and mob associate's roller coaster ride through a life of crime and imprisonment. The Monday morning, March 27, 1972 in Orange County, California started like so many other days until bank employees discovered they could not open the massive vault, even after a locksmith tried for several hours. Phil Christopher led a crew of his mobbed up friends to pull off the biggest bank robbery in the history of the United States. The bank theft appeared to be a perfect crime resulting in an amazing heist of \$30 Million Dollars.

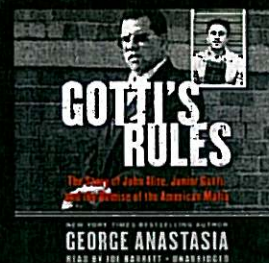

Mafia Street Boss, Frank Brancato was one of the most feared men in Ohio. Entrepreneurs who were reluctant to share their bootlegging or gambling profits with the Cleveland "Family" were eliminated without delay. People who were suspected of talking too much, found themselves taking a "one-way ride". For many years, the FBI were under direct orders from their famous leader, J. Edgar Hoover, to observe Brancato's activities and try to collect enough information that would lead to his criminal conviction. Several Immigration officers tried long and hard to deport Brancato, including an unsuccessful attempt to "kidnap" him from a Cleveland Federal Building and whisk him away on a one-way trip back to his homeland in Italy. Police tried to pin various Mob "hits" on Brancato, but eyewitnesses frequently either died or suddenly or mysteriously developed doubts about what they had seen. People who had made trouble for the Mafia frequently had their lives cut short by explosions or gunfire.

PHIL CHRISTOPHER AND FRANK MONASTRA WILL ALSO BE SIGNING COPIES OF THEIR BOOKS. COURTESY OF GOODFELLAS4GOD.

COME JOIN US FOR A FUN EVENING INCLUDING RAFFLES & GIVEAWAYS!

Jimmy Calandra and John Alite will also be speaking of their lives in the Mafia and how now they do the right things for the right people instead of doing the wrong things for the wrong people.

John Alite will also be signing copies of his book - "Gotti's Rules"
